ARAPAHOE HIGH SCHOOL ATHLETICS

The Arapahoe High School Athletic Department believes that all athletes should be in good academic standing in order to participate in sports. In keeping with our philosophy of high academic standards, each athlete will have an eligibility report every week. We consider our Athletes — SCHOLAR ATHLETES.

2008-2009

Dear Arapahoe Student:

The student and staff are excited that you will be an ARAPAHOE WARRIOR!

As you know, Arapahoe is one of the greatest high schools in America. We have outstanding academic, athletic, and activity programs.

At Arapahoe, the students and staff have PRIDE in our high school . . . we know you will continue this tradition. Often, it's not what Arapahoe can do for you or what you can do for Arapahoe – but a combination of both.

There is no question that students who belong to a high school club, or participate in an activity or sport, budget their time effectively and, in general, earn better grades than students who don't participate in extra or co-curricular activities. We want you to become part of the Arapahoe “team”.

Remember . . . Arapahoe is your high school and we will work with you to make sure your time is memorable.
