

### **LINK-Sponsored Activities**

Directions: This fall, LINK Crew will host one event in almost every sport or activity. This is a great way to cheer your freshmen on, get your other freshmen involved, and earn your contact hours. Please choose two-three events to attend. Put these events on your calendar and contact your LINK sponsor if you have questions. All the sports are home games, except for cross country, which is at Clement Park, and softball, which is at deKoevand Park. I'd encourage you to carpool.
