Tuners will help your **pitch development** on a consistent basis. You can put the tuner on your music stand as you practice, and check the various troublesome pitches as you go. *What a difference this will make in your playing!!!* **Metronomes will help everyone's ability to keep time and maintain tempo.**

practice their flag, rifle, dance and sabre routines. Musicians can work on their basic time, as well as musical subdivisions. Metronomes will assist all of us in our musical development, no matter what level we are currently at. *Please bring in \$30 for a metronome purchase or \$25 to buy a combination metronome/tuner*—make checks payable to ABB, and please indicate your student's first and last name on your check.

Ways to Max Your Camp Experience...

Before camp begins:

1. Practice, Practice, Practice!!! It doesn't matter whether you play an instrument or spin a flag, pre-camp preparation will **DEFINITELY** help maximize your camp experience.

2. Set Goals. People don't plan to fail, they fail to plan. Don't let your camp experience be less than the ultimate. Know what you want to get out of camp before you go into it. Whatever your goals, set them now, so you know what to work for.

3. Prepare Physically. Camp can be physically strenuous. Make sure you are eating properly before you come to camp. Get plenty of rest and drink lots of water. If you are physically prepared for long days, you'll be able to be attentive and participate fully in everything.

4. Make a List. Don't forget to include instrument or equipment accessories, such as reeds, valve oil, and flag tape. And remember, the first item on your list is a positive attitude!

5. Repairs/adjustments. Do any repairs need to be made? Are there any adjustments that should happen so problems don't? This is something

that should be done before you leave for camp. This way, if any repairs need to be made, there is time!

During camp:

6. Attitude is Everything. Make a commitment to giving 110% effort to have an awesome camp experience. If you give that extra effort, you'll be surprised how many other people will as well. Remember that attitudes are contagious. Make yours worth catching!!

7. Follow Instructions. Camps bring in the best instructors for YOU! Take advantage of the knowledge and experience of these great folks. Listen carefully and remember that they are there to help and teach you all the field show design and music. There are extra teachers to help with sectionals.

8. Take Care of Yourself. Summer heat can do a number on even the best of us. Get plenty of rest and remember to drink lots of water, even if you don't think you are thirsty. Also, camp is not the place to try to lose weight. Eat sensibly and healthy, and don't skip breakfast. A piece of fruit and a glass of juice or milk, are better than nothing at all!

After camp is finished:

9. Have Fun! Things to do, places to go, people to meet! Take advantage of all of the incredible opportunities offered by your camp. Do whatever it takes to meet, learn from and interact with, as many people as you can!

10. Review. Sharing what you learned with others can be a great tool for you. Teaching is a great way to learn!

11. Continue Being Contagious. Remember that positive attitude? It's easy to slip back into old habits. Don't let that happen to you! Continue to give 110% and you'll be surprised how much you learn, and how much more fun you can have!

12. Set New Goals. Did you meet your pre-camp goals? Review what you wanted to learn and revamp them, if necessary. Always having a goal in mind will help you reach higher. Maybe your goals are more group-oriented now, but they should be just as important as individual goals.

13. **Share Your Experience.** Be so enthusiastic about your awesome camp experience that others will want an awesome camp experience of their own! Share information on the camp and next year, help others reach for excellence and your program will benefit!

Private Lessons

Private Lessons are strongly encouraged for all our band students. You can **use your share account funds to pay** for approved private instruction! All students studying privately receive 3 Letter Award Points. **This is the way our instrumentalists will make maximum progress on their instruments;** please see the listing of private teachers on our website, or Dr. Cannava can recommend teachers for your student—please contact him at 303-347-6031. **The students who study privately usually make the highest band chair placements, honor/all-state groups and music scholarships!**

ABB Meetings

Just a reminder that ABB meetings are **not** just for the board members. Anyone who is an ABB member, and that means a parent of any band student, is encouraged to attend. We need your input and fresh ideas to keep the band program going and moving in a positive direction. **The next meeting is at 7pm on Wednesday, August 6th, in the Band Room. See you there!!**

Banner Carriers Needed: We are in need of some more banner carriers for next year. Siblings of current Marching Band members make great banner carriers. **6th, 7th and 8th graders are the perfect age for this fun job!!** You get to perform at all the parades and football games—no experience is necessary. Please call Dr. C. at 303-347-6031, or email him at ecan11@msn.com, if you know of an eager middle school student who would like to be a banner carrier for the Warrior Marching Band this season.

A High Quality Instrument Makes a Difference!

Parents always ask me how they can best support their student musician. **I recommend purchasing an upgraded instrument—either intermediate or professional in quality.** This is really more important than private lessons in many respects. Please contact me at 303-347-6031 or ecan11@msn.com if you need help in upgrading your student's instrument. Brad Brickley of Kolacny Music and Al Davis of Flesher-Hinton Music can be very helpful in getting you the best discounts possible.

Frequent Flier Air Ticket Donations Needed

The Arapahoe Warrior Band is looking for anyone who is in a position to **donate Frequent Flier Mileage Air Ticket Coupons.** We would like to bring in 4 national judges for our September 20th Arapahoe Marching Invitational. Your contributions would help us out greatly. The band's costs would then only involve food and judging fees—the transportation would be taken care of. We have a donor already for the hotel accommodations through Marriott Corporation). Please contact Dr. Cannava at ecan11@msn.com as soon as possible if you can donate any Frequent Flier Mileage Air Ticket Coupons.

THANKS for all your support!

2008-09 ENGLAND BAND TRIP

We hope all you **join us on this band concert tour of a lifetime!** Remember, all band members who started making the **\$200 monthly trip payments** in August, 2007, and continue to make payments on time through October, 2008, will have the final November, 2008, payment reduced by \$50.00. **But, anyone can join us and get caught up on trip payments in the next few months.**

The highlight of the 2008-09 Warrior Marching Band Trip to England, will be our performance in the 2009 London, England New Year's Day Parade! This is the Macy's Parade of England and all of Europe!! Millions of foreigners will watch us perform in this world famous parade!!!

We now have **posted sign-ups for room assignments, buses and touring/restaurant groups** throughout the England trip. You must be **current on all payments** in order to sign up for any list.

There will also be two Arapahoe Wind Symphony performances in London concert venues—one of these is part of the Annual Concert Gala Series. That performance will be in the beautiful **St. John's Hall in Smith Square**. We will be performing along with three other U.S. High School bands. We have received a **special invitation to perform at the start of the International Choral Festival in Central Westminster Hall**. We are just one of two High school concert bands chosen to perform there! It holds 2200 people!! Both performances are 20 minutes in length. Our **Marching Band has also been invited to perform in Dover, England**. This will be a mayor gift exchange performance.

Many activities will take place during our **2008-09 England Band Trip**. We'll be traveling to **Canterbury, Stonehenge, Bath, and Windsor**, among other places. You're going to love the **London Eye, London Dungeon, "Wicked", the Madame Tussaud's Wax Museum**, and many other fun excursions throughout our 8-day concert tour. We are also now planning on **an evening boat ride to view the lights and attractions of London**. This will take the place of the Pizza on the Park Dinner/Jazz show, since it will be closing down. The boat ride will **include a DJ and dancing!** **Be sure to check out our website for all the details on how to sign-up for this band trip of a lifetime!!!**

The time is approaching for the big trip!! In fact, unbelievably, we are less than 5 months away from the departure date!!

It is time to sign up.....anyone who wishes to be included on the trip needs to get their forms completed and call us for payment arrangements.

IMPORTANT Fuel Surcharge Update

The increase in fuel costs has taken its toll on the airline industry, as it has on our home budgets for auto gas. Fuel surcharges are skyrocketing, as we are reminded each day. When we began to plan the London trip, we used information from our travel facilitators to determine the amount of fuel surcharge to include in the trip cost. We included, therefore, \$300 per person in the participant payment amount. We felt at the time that this was more than ample. However, we have learned that, at this date, the fuel surcharge has risen to \$599 per passenger. It is not expected to increase further.

The trip committee has decided that the easiest way to remedy this underpayment is to ask each passenger to pay \$25 additional with the June 2008 payment and \$65 additional with your July through November payments. So, if you are on the \$200 per month plan, your payment will now be \$265 per month for the remaining trip payments. Anyone who is catching up to the \$200 per month payment plan, because of later trip signup, should have included the \$25 additional payment in June and add \$65 to your remaining July through November payments.

Many of you are concerned and/or confused about what is happening with the additional cost of this trip. You are being asked to increase your payments by \$350, for a total trip cost of \$3550. The increase covers the fuel surcharge mentioned above for the students and chaperones and other anticipated expenses. Although there can be no absolute guarantee that there will be no additional increases, this \$3550 is based on in-depth analysis of the worst case scenarios considering fuel, exchange rate, the number of actual trip participants and other trip budget items. The fact that we do not have the number of participants we had originally budgeted for has already been factored into these costs. The parade officials have been consulted and they are confident that we have adequate coverage for anticipated expenses. As they put it, "no worries"! Hopefully, this answers questions you may have about the trip cost and reassures any of you who were concerned about further increases.

Passports: Please be sure to **send your passport copies** to Susan James at 5454 E. Hinsdale Cir., Centennial, CO 80122. All passport copies must be turned in by October 1, 2008. We must provide passport information to the airlines, hotels, etc. by mid-October. You can send your sign-up paperwork, with your first check, and all subsequent checks to ABB, P.O. Box 2612, Littleton, CO 80161.

Passport note: Important. All passports must be valid for a minimum of 6 months from the date of re-entry into the U.S. This is important. You cannot travel if you do not take care of renewal, if applicable.

Personal luggage: Every student, shadow tripper, etc. is allowed one piece of checked luggage. The piece cannot exceed 50 pounds in weight and combined total dimensions cannot exceed 62 inches. A traveler is usually allowed two pieces of luggage to be checked. However, when traveling in a group, the second checked piece for each person is used for instruments, uniforms, and band equipment. The work crew and trip committee are in charge of determining the items to be packed in these boxes, bags, cases, etc. Each traveler will be in charge of one of these boxes, bags, cases, etc. for check in and collection, both on the outbound and inbound flights.

Carry on baggage: The UK has very stringent rules for carry on luggage for outbound and inbound flights. One carry on piece is allowed per traveler, not to exceed 22 inches x 17.5 inches x 9.85 inches. Purses count as a carry on, and must be placed in a bigger carry on, if you wish to take both pieces.

All liquids and gels should be packed in checked luggage. If brought on board, these liquids/gels must be in containers with capacity of 3 oz. or less. All liquids/gels must be placed in a zip-lock plastic bag, not to exceed 8" x 7.5".

Special Dietary Needs: If any student, etc. has special dietary needs (allergies, vegetarian, etc.), please send an email to Susan James, jbspei@aol.com, explaining the necessary changes for meals.

A bit about **hotel accommodations:** All hotel rooms should be of very high standard. They will all include private bathrooms, including shower and bathtub, cable or satellite TV with radio, and central heating. Telephones, in the rooms, are available for room to room calls and can receive calls. Students who need to make outgoing calls can bring cell phones which are internationally capable. Please check your carrier's international prices, before authorizing your student to make international cell phone calls. Some carriers charge as much as \$10.00 per minute!!! There will be several internationally capable cell phones within the chaperone/tour guide group for emergencies. Most hotels will have public telephones for students to use to call home. Students can purchase phone cards in the hotels to use on the pay phones. Or, students can call collect to their homes, which can be quite expensive.

Fun fact: British hotels do not furnish face cloths!!!! You can bring your own cloths, though!!!

Some exciting notes about the itinerary:

A tour of the **Tower of London** is now included in the itinerary!!! This will include tours of the Royal Palace, fortress, prison, place of execution, arsenal, mint, menagerie, and jewel house (where the crown jewels of England are kept).

The London Eye is the world's largest "Ferris wheel". It is 450 feet high and you can see over 25 miles from the top on a clear day. Everyone will be riding the London Eye on this trip !!!

Outside of the residence of Her Majesty the Queen of England, at 11:25 a.m., the **royal guard changes** each day. AHS Band will watch this pageantry in front of the Palace railings or by the Victoria Memorial!!!

The **London Dungeon** is the place where horrifying events in British history are reenacted: Jack the Ripper's tortures, the plague of 1665, and the 1666 Great Fire of London. Not only will the AHS group see all of those horrors, but they will also continue with the Boat Ride to Hell---a terrifying journey ending with the uncertain fate of the axe man!!!!

On the evening of January 1, we will most likely be enjoying a **boat ride to view the lights and sights of London!!** This is the culmination of the wonderful **New Year's Day Parade!!!!**

Tickets for the West End musical, "**Wicked**", have been requested and booked!!!

There will be **shopping!!!!!!**

FUNDRAISERS

Each band student receives semi-private instruction from one of at least 12 sectional instructors whose salaries are ENTIRELY paid by our fundraising proceeds.

The Arapahoe Band Boosters must fundraise to maintain our *outstanding* music program.

Bingo, the Student Car Wash, phone book delivery, and the Silent Auction, are the major fundraisers benefiting the entire band program. There are also several fundraising opportunities to enable each **student to secure their own funds**, in their share account, and use that money to help pay the various program fees. These fundraisers include **Grocery Certificates, Scrip, Butter Braids, and Cookie Dough sales. See's Candies** is a new fundraiser for share accounts that students worked on in February. This fundraising opportunity will be offered periodically throughout the year.

Romano's Italian Restaurant in Highlands Ranch will donate 20% of your dinner check to the band. Romano's Night is the **1st Tuesday of the month**. Make a copy of the coupon from our website (see below) and have dinner at Romano's on **August 5th**!

Province Car Wash, south of County Line on Colorado, will donate \$1 to the band for every \$8 or \$9 car wash purchased through their automated bays. Just enter the **Code: 43210**. Pass this on to family and friends!

ARAPAHOE BAND GROCERY CERTIFICATES

This is probably the easiest way to earn money for your share account. Use the proceeds to make trip payments, pay for private lessons and pay yearly fees. **King Soopers, Tony's Meats and Sunflower Market** grocery certificates are available. For every \$100 you buy, \$5.00 goes directly to your student account. Sell certificates to your friends and neighbors and earn even more!
